NEWS

Welcome to the very first edition of the Aging Advocate, the e-newsletter of Citizens for Elderly Services, Inc.

CES is looking for volunteers in the 5 County area of SW Ohio (Butler, Clermont, Clinton, Hamilton and Warren Counties) to be local grassroots advocates with their elected officials at all areas of government. We need you to share your concerns and aging issues with these folks so that we can make sure that programs that support community based long term care like: home delivered meals, transportation, home care, home making services are available for more seniors as the population continues to grow and Baby Boomers age in place.

Volunteers are needed in the following areas:
County Captains

Data tracking

Newsletter management

Legislative watchdogs

Program development

Senior Spokespeople

CES has a new Volunteer Manager, Panji Pope who has a wealth of experience and is a Senior Services Consultant and former Director of Lincoln Crawford Home and Wesley Community Services, Inc.

To become a volunteer please call
513-722-2474

UPCOMING TRAINING

Senior Advocate University

Butler County – TBD
